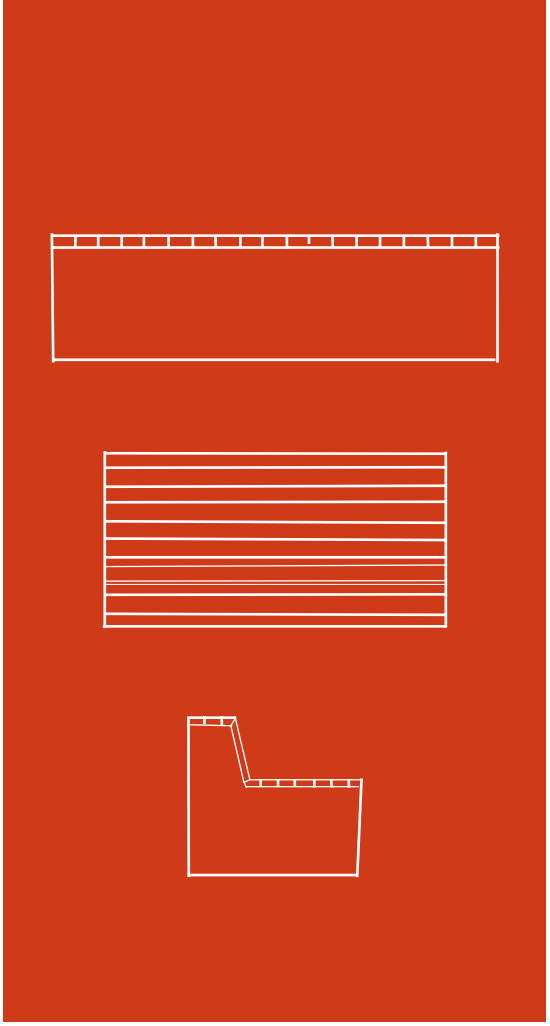
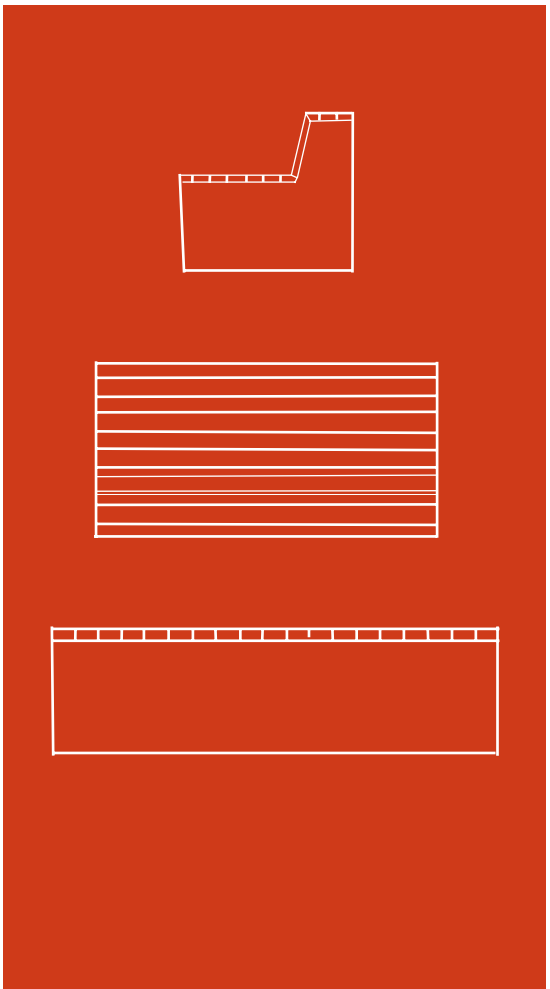
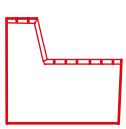
GARDA



Altek®



Stylish & Clean Lines



Garda è un **elegante sistema di panchine modulari** in alluminio anodizzato. La struttura può anche essere verniciata a polvere nei colori RAL. Disponibilie con o senza schienale, la collezione comprende anche una fioriera che può essere posizionata su entrambi i lati del sedile. Le **linee pulite** e la **flessibilità** della collezione Garda consentono di personalizzare le sedute per esterno secondo le vostre specifiche esigenze.
Seduta e schienale sono disponibili in legno teak oppure in materiale composito. Cuscini per la seduta e lo schienale sono inoltre disponibili.

Garda è una creazione del designer
Antonio Larosa

Garda is a **sleek modular bench system** in anodized aluminium. The structure can also be powder coated in RAL colors.
Available with or without a backrest, the collection includes a matching planter which can be placed on either sides of seat. The **clean lines** and **flexibility** of the Garda Collection allows you to customize the outdoor seating to your needs. Seat and backrest are available in teak wood or composite material. Cushions for the seat and back are also available.

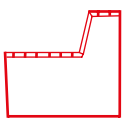
Casual ed elegante, la linea Garda offre un' estetica moderna costruita per uso esterno pur essendo adatta anche per ambienti interni.

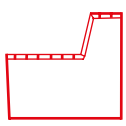


Casual and elegant, the Garda line offers a modern aesthetic that is constructed for outdoor use while suitable for indoor setting too.

Garda Collection è sostenibile e le panchine sono riciclabili al 100%, con la possibilità di avere doghe in legno proveniente da foreste non primarie, oppure doghe realizzate con materiale riciclato composito.

Garda Collection is **sustainable** and the benches are **100% recyclable**, with the option of biodegradable and legally sourced timber slats or composite wood-look slats.

Comfortable & Vandal-proof



A prova di vandali e confortevoli, le panche Garda sono progettate per migliorare in modo permanente l' eleganza delle aree sia pubbliche che private.
Garda fornisce un **aspetto sia tradizionale che moderno** a qualsiasi ambiente.

Comfortable and vandal-proof, the Garda bench-system is designed to permanently enhance the elegance of both public and private areas.
Garda provides both **traditional and modern look** in any environement.

CREATE YOUR OWN GARDA

IN THE WAY YOU LIKE MORE!

La gamma Garda si basa su una serie di **componenti intercambiabili** che offrono la massima scelta di stile, dimensioni, materiali e finiture. Le Panche Garda non sono solo funzionali, ma sono anche in grado di offrire benefici estetici.
